

# *Purpose* Booster

3 things you love doing

Three large, empty circles arranged horizontally, intended for writing down three things the user loves doing.

What did you want to become when you were a child? Why?

---

---

---

What actions can you take to spend more time doing what you love?

Today, I can....

---

This month, I can....

---

This year, I can....

---

What did you learn about yourself from the previous questions?

---

---

---
